Fall 2011 Newsletter

Dear Starlakers,

October is upon us and fall colors are beginning to show everywhere. I hope you had a great summer season and the fish were snappin'!

We had a "chilly", but fun-filled Labor Day weekend at Stillwaters. The "Star Lake Band" both played and won the Honorary Mayor's Race for 2011-12 and over \$2,000 was raised to support our area. In addition to some upper-age playground equipment, the club officers decided to once again donate \$500 to our Ambulance and Volunteer Fire Departments. We are also donating \$500 to the local snowmobile club to help groom the local trails in our area. This will help both snowmobilers and our local winter businesses! In addition County Road K thru Star Lake will be lit up with six snowflake ornaments this holiday season.

Besides our newsletter, have you checked out the Star Lake's news, events and info at www.StarLake.net? Many thanks to Starlaker Bob Lindquist for providing this service for all the Star Lake area.

Congratulations are in order to Sarah and Nathan Holoubek (proud grandparents Chuck and Karen Altamore) on the birth of their daughter Ellianna Josephine!

"Get well soon, we care" wishes are extended to Joan Schacht and Jim Errington.
